INGREDIENTS

Tortillas (as many as you need)
Leftover cooked chicken mixed with
bbq sauce or salsa
Red pepper diced
spring onions sliced
Coriander
Grated cheese
Pinch of chilli

RECIPE

Quesadilla

METHOD

1. Put one tortilla in the cast iron frying pan, top with cheese, red pepper, spring onion and coriander
2. Top with chicken and more cheese
3. Place pan on hot bbq, I direct cook these as they don't take long.
4. Top with another tortilla
5. When your cheese starts to melt and your other ingredients are warmed through, flip to toast the other side
6. Cut into quarters or sixths and serve while still hot and melty. You can serve extra sauce for dipping
